Welcome Message

Dear Trade Partners,

We are pleased to invite you to participate in the 41st Asia-Pacific Academy of Ophthalmology (APAO) Congress, to be held in conjunction with the 37th Annual Scientific Meeting Hong Kong Ophthalmological Symposium, at the Hong Kong Convention and Exhibition Centre, Hong Kong, on Feb 5-8, 2026.

Dedicated to driving ophthalmology forward in the Asia-Pacific and beyond, the APAO organizes its annual congress for visual scientists and ophthalmologists to meet and exchange expertise. This event is widely recognized as one of the most important ophthalmic meetings in the region and globally. Every year, our program covers a broad spectrum of topics across subspecialties, setting out the highest standards of clinical and basic research, education and training, prevention of blindness, treatment, and patient care.

With the theme “Eyes on the Future: Innovating Ophthalmology” this year, APAO 2026 anticipates to bring together over 6,000 delegates and more than 1,000 top-notch speakers from worldwide to explore cutting-edge developments in visual sciences and ophthalmology. While clinicians and researchers gather to discuss new knowledge in eye disease diagnosis and treatment, the congress will concurrently serve as a prime occasion for trade partners and exhibitors to showcase latest innovations and build industry connections.

We eagerly look forward to welcoming you to Hong Kong, a unique city linking the East and West which offers the perfect backdrop for collaboration and exchange of ideas. With your invaluable support, we will certainly make another very successful meeting. Your participation will not only enhance the congress but also demonstrate your company’s commitment to advancements in ophthalmic science. Let us work together to shape the future of eye health!

Congress Information

Asia-Pacific Academy of Ophthalmology (APAO)

The Asia-Pacific Academy of Ophthalmology (APAO) is a supranational organization that welcomes participation from national, territorial, and subspecialty-based ophthalmic societies in the Asia-Pacific.

As of April 2025, the APAO membership boasts 27 national/territorial societies and 12 subspecialty societies. Together, we represent almost 120,000 ophthalmologists across the region, accounting for approximately 59% of the global ophthalmology community.

With a mission to promote the science and art of ophthalmology, we strive to eliminate preventable blindness in the region through teaching, research and service. We also organize an annual congress and publish the Asia-Pacific Journal of Ophthalmology to foster international professional collaborations.

For more information, please visit <https://apaophth.org/>

Objectives

- Showcase advanced and cutting-edge clinical and research studies
- Outline new trends in the diagnosis and treatment of ophthalmic diseases
- Disseminate the latest clinical practice and international gold standards
- Provide a platform for fruitful and authentic scientific exchange, helping ophthalmologists learn and grow in their careers
- Furnish delegates with an opportunity to network, make and renew friendships
- Keep delegates posted on industry research and developments

The Hong Kong Ophthalmological Society

The Hong Kong Ophthalmological Society (HKOS) was formed and registered on 16 August 1954 with Dr Dansey Browning as the first Chairman. The Society was established with the objectives to maintain and upgrade the quality of eye care in Hong Kong, and to foster brotherhood among eye care professionals serving the public in Hong Kong. Every year since 1989, the HKOS has organized the annual scientific meeting in ophthalmology, as well as other ad-hoc open lectures by internationally renowned speakers. This tradition has been carried on jointly with other health-related associations and has supported any public health talks and vision screening programs. There are at present over 300 members registered with the Society.

The College of Ophthalmologists of Hong Kong

The College of Ophthalmologists of Hong Kong was incorporated in October 1994 with the following objectives:

1. To promote for public benefit the advancement of knowledge in the field of ophthalmology
2. To promote for public benefit the standard of ophthalmic care in Hong Kong
3. To develop and maintain good practice and high professional standards of competence in the field of ophthalmology
4. To act as a consultative body for matters of educational or public interest concerning ophthalmology
5. To encourage and support training, continuing education and research in ophthalmology

Congress Venue

Hong Kong Convention and Exhibition Centre (HKCEC)

With its vast curtain of glass and 40,000-square-metre aluminium roof sculpted to echo a seabird soaring in flight, the striking Hong Kong Convention and Exhibition Centre is a major landmark on the Hong Kong Island skyline. The HKCEC is known as a world-class convention and exhibition centre and was voted Best Convention and Exhibition Centre in Asia 13 times among industry awards from 2001 to 2016.

The iconic architecture of the HKCEC stands proudly on the waterfront of Hong Kong's world-famous Victoria Harbour. This is more than simply a breath-taking location – it also places the Centre right at the heart of the city, within the Central Business District. Not only does the harbour location provide a spectacular backdrop to events but it also means Hong Kong's Central Business District and the best of the city is on the Centre's doorstep – and it's a vibrant city packed full of colour and life.

Accessibility is a key advantage: visa-free access for nationals of around 170 countries and regions; half the world's population within a five-hour flight; around 1,000 flights daily to and from some 170 destinations worldwide, including 50 Mainland China cities.

The HKCEC is directly linked to two hotels: the Grand Hyatt Hong Kong and the Renaissance Hong Kong Harbour View Hotel by covered footbridges and walkways. In addition to a total of over 1,400 rooms available at the Grand Hyatt Hong Kong and the Renaissance Hong Kong Harbour View, there are more than 5,000 hotel rooms available within 5 to 15 minutes' walking distance of the HKCEC. Subway transport is only minutes away, and it serves Hong Kong's major urban areas. The airport, 40 km away, can easily be reached by road or the Airport Express Line in 30 minutes.

Visitors can walk to the HKCEC from the MTR Exhibition Centre Station, Wan Chai Station or the Wan Chai Ferry Pier within 10 minutes; or you can also select the suggested routes below:

From Hong Kong International Airport

- By Bus: Route no. A11 or E11 to Wan Chai and change to route no. 40M to the HKCEC (Estimated time: 80 mins)
- By MTR: Airport Station to Hong Kong Station and switch to Wan Chai Station (Estimated time: 40 mins)
- By Taxi (Estimated time: 45 mins)

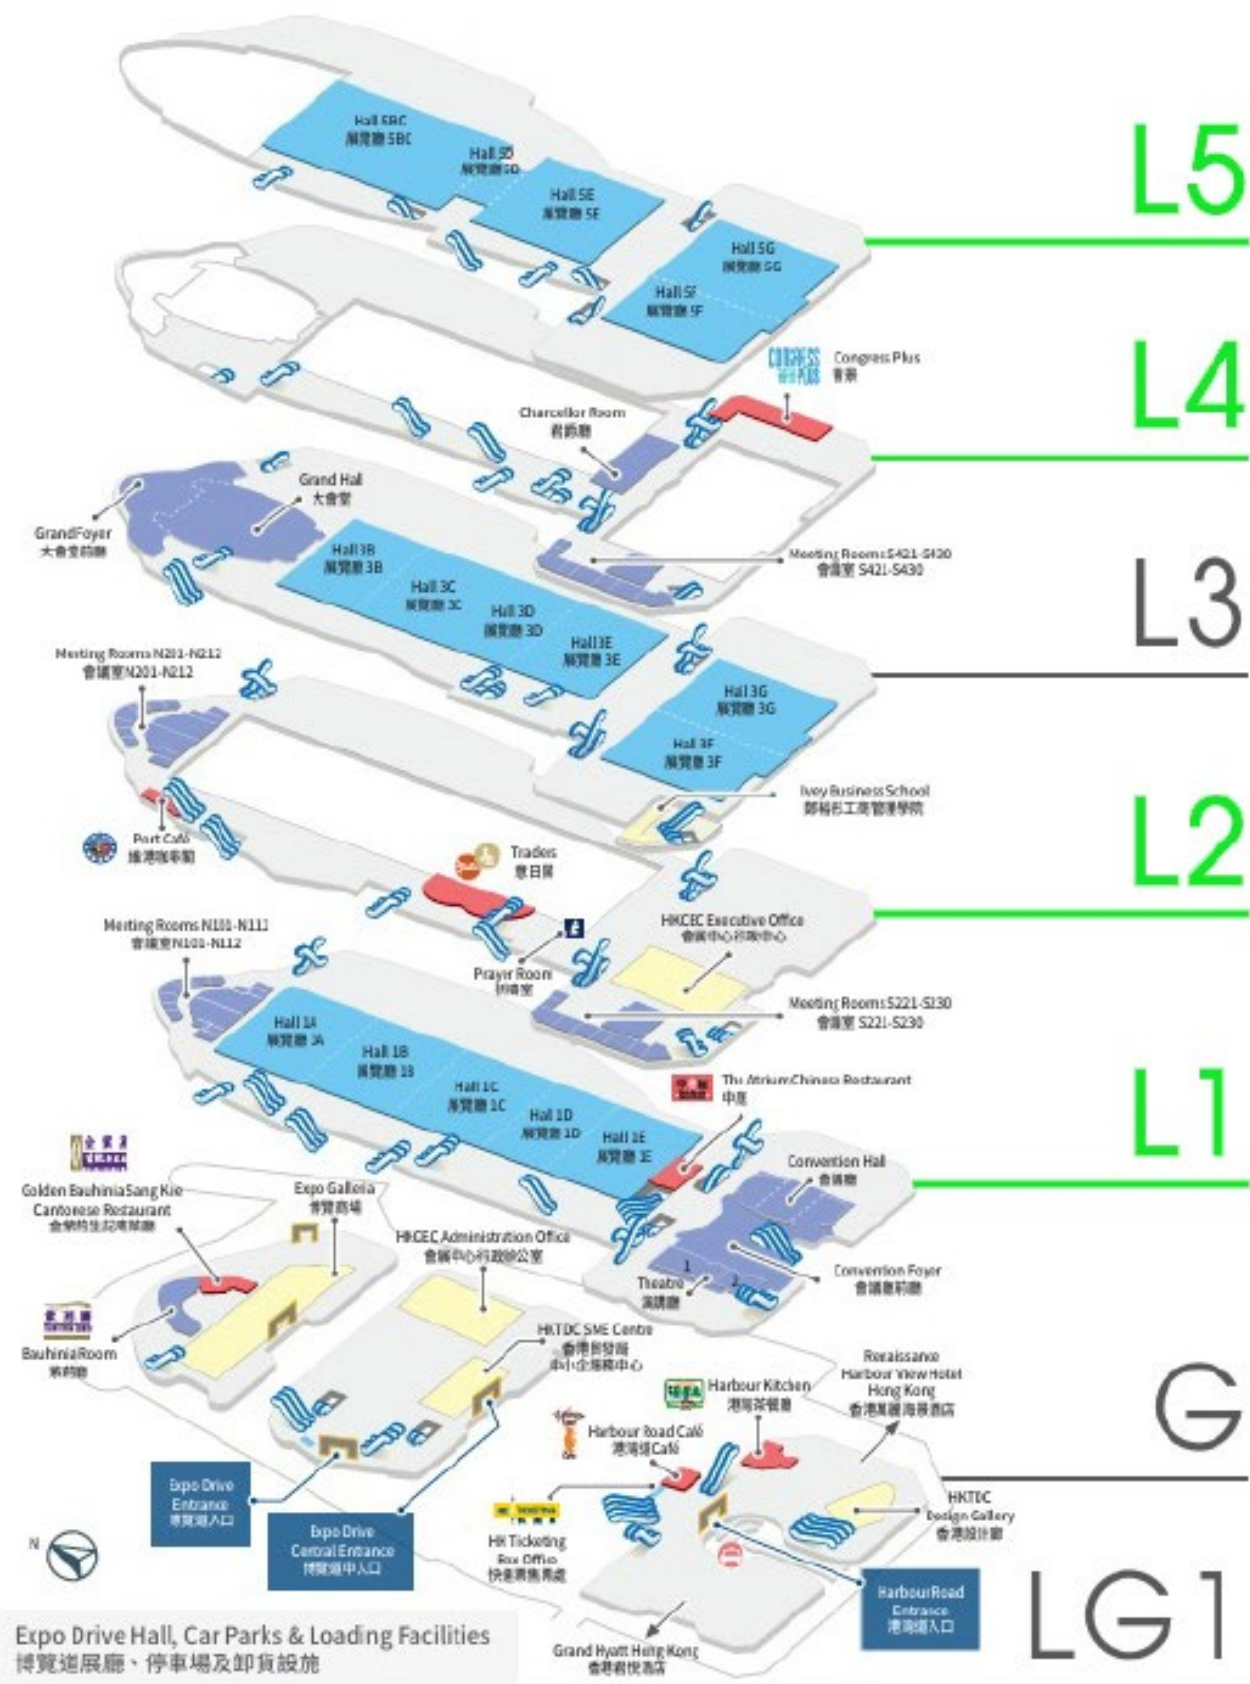

From Hong Kong West Kowloon Station (High Speed Rail)

- By MTR: Walk from Hong Kong West Kowloon Station to Austin Station, switch to East Rail Line at Hung Hom Station to Exhibition Centre Station (Estimated time: 35 mins)

From Hong Kong China Ferry Terminal

- By MTR: Tsim Sha Tsui Station to Wan Chai Station (Estimated time: 15 mins)
- By Taxi (Estimated time: 30 mins)

Scientific Programs

Over the 3.5-day programs of the APAO 2026 Congress, the scientific programs will cover 19 subspecialty areas including clinical ophthalmology and visual sciences. It will foster interaction in several innovative ways and encourage dialogue through plenary sessions, free paper presentations, poster sessions, keynote lectures and video sessions, encouraging meaningful dialogue among participants.

The Scientific Program Committee, chaired by Prof. Dennis Lam, is currently being formed. It will bring together over 1,000 top-notch speakers to engineer a world-class scientific program.

Under the theme **“Eyes on the Future: Innovating Ophthalmology,”** the APAO 2026 Congress will serve as a powerful catalyst for the advancement of innovation and technology in ophthalmology, both in Hong Kong and globally. The Congress seeks to enhance the capabilities of ophthalmologists, stimulate innovation, and drive progress in eye care. The event has the potential to drive advancements in multiple areas, including healthcare technology, industry upgrading, and public engagement with science.

As part of the new initiatives, the Expert Symposium on Eye Care and the Public Health Luncheon connect local practitioners with global expertise, empowering them to elevate the standard of patient care. Participants will gain actionable insights to develop sustainable and scalable service models for eye care. These activities will also foster collaborations among local institutions, counterparts from Mainland China, and international organizations, enhancing training programs for ophthalmologists and healthcare professionals. Collectively, these efforts aim to drive long-term improvements in the quality, accessibility, and sustainability of eye care services.

In addition, the Eye Care Exhibition is tentatively scheduled to be held at the Hong Kong Eye Hospital (HKEH) and the Hong Kong Convention and Exhibition Centre (HKCEC). With a focus on **“Treatment and Technology: The Future of Eye Care,”** the exhibition is designed to raise awareness and understanding of eye health and ophthalmological advancements among students, patients, professionals, and the general public. For more details of the program, please visit our congress website at <http://2026.apaophth.org>.

Social Programs

Opening Ceremony

The Opening Ceremony will take place on the first day of the Congress. Highlights of the ceremony include the presentation of four APAO Named Awards, which are Jose Rizal International Medal, De Ocampo Lecture, Susruta Lecture, and Arthur Lim Award.

Presidential Dinner

This is a prestigious occasion which will be attended by around 200 VIPs, invited by the Congress President.

Cultural Party

In addition to a special performance, the Cultural Party will feature the presentation of the APAO Distinguished Service Awards, APAO Outstanding Service in Prevention of Blindness Awards and APAO Achievement Awards.

Fundraising Run

Since its inception in 2016, the APAO Fundraising Run has been a true helping hand to raise funds for communities in need. Over the years, there were nearly 300 participants on average on an annual basis, and the number hit 332 in 2019.

Women in Ophthalmology Luncheon

Female ophthalmologists get together annually in the APAO Congress with an amazing opportunity to be inspired by female leaders and to learn about the challenges they face on the road to success.

YO Lounge and YO Night

The YO Lounge provides endless opportunities for networking with academy leaders and peers, and serves as a rest stop from a busy educational agenda. The YO Night is a party that gives young ophthalmologists the flexibility to enjoy time with friends and colleagues.

APAO LDP Alumni Reception

The APAO Leadership Development Program runs every year. All graduates of the program are eligible to join an alumni group to get together, learn together and continue to grow after graduation. The Alumni Reception provides opportunities to foster continuing relationships with classmates and graduates across years.

Sponsorship Opportunities

The APAO 2026 Congress will provide a wide range of sponsorship opportunities for our sponsors and exhibitors to increase their brand exposure beyond the exhibition hall and interact with influential delegates from numerous ophthalmic societies.

Modest sponsorship packages are available to recognize the long-term support from sponsors and welcome the participation of new sponsors. Alternatively, sponsors may select individual items instead of a full package. You may choose the sponsorship option that best caters to your company's needs.

Benefits & Acknowledgments

It is the expressed intention of the Congress Organizing Committee to ensure that package sponsors will receive the highest recognition in return for their generous support.

General benefits are:

- Company name and logo on sponsored item(s)
- Acknowledgment in promotional materials
- Acknowledgment on the congress website
- Acknowledgment with company logo in the Exhibition Directory
- Company name and logo on sponsorship acknowledgment boards, which will be prominently displayed throughout the congress venue
- Priority choice of exhibition space
- Use of congress logo on company communications relating to the APAO 2026 Congress

Booth Application

Company Information

Provide the company name as it should appear in program materials and the company's headquarters address, office or customer service phone number, general email address and website.

Contact Information

Provide the main contact information, name, position, address, direct phone number, cell phone number and personal email address. The main contact receives all communications about the congress via this email.

Invoice Information

Provide the billing company name, name, position, address, direct phone number, cell phone number and personal email address.

Booth Choices

Please indicate at least 4 booth locations in different areas of the exhibition in order of your preference, taking your priority point status into consideration. The priority of booth assignment will be assessed according to the company's earned priority points and

payment date. Companies with the greatest number of points are assigned first, progressing to companies with the fewest.

When assigning booth space, we will consider your company's priority points, payment status, your preferred booth type and the booth location(s) you have chosen. Every effort will be made to assign one of your booth choices. If your booth choices are not available, we will ask you to submit additional selections.

Adjacent and Shared Exhibit Space

Sharing of exhibit space is only permitted for divisions of the same company and those with exclusive distributing agreements. Consideration of adjacent and shared exhibit space requests is offered only if the request is submitted as part of the booth booking. Evidence of exclusive distributing agreement must be submitted at the time the request to share exhibit space is submitted. The booth assignment is based on the companies' average priority points.

Code of Practice

Please note that it is the Sponsor's/Exhibitor's responsibility to comply with the local authority's regulations and the code of practice on the promotion of medicine by European Federation of Pharmaceuticals Industries and Associations (EFPIA) available at www.efpia.eu and by International Federation of Pharmaceutical Manufacturers and Associations (IFMPA) available at www.ifpma.org.

Priority Points Program

The priority points program is a participation and loyalty reward system for APAO Congress corporate partners including Exhibitors and Sponsors.

The program is designed to reward corporate partners for their support and provide a clear and transparent scheduling process of the exhibit booth space order for each exhibitor.

To benefit from the priority points program, the company is required to submit the completed booking form to the APAO Secretariat by the priority point deadline of September 15, 2025. The priority points program will not be applied to late submissions.

The priority of booth assignment will be assessed according to the company's earned priority points and payment date. Companies with the greatest number of points are assigned first, progressing to companies with the fewest.

The priority points can be accrued through attendance at the previous congress as well as sponsoring, advertising and supporting the congress programs.

When two companies with equal points request the same space, priority will be given to the company which has exhibited at three previous congresses in the past five years. If a tie still exists after evaluating this criterion, the exhibit space will be assigned on a first come, first served basis based on the booking and payment dates.

Violations of or failure to adhere to APAO policies, contracts, rules and regulations will result in points being deducted from a company's total points.

The priority point system is subject to cancellation, change or modification by APAO at any time without prior notice.

Priority points are accrued annually and added to the cumulative total in the following ways:

1. Exhibiting

- 1 point for exhibiting in the current year
- 1 point per year for exhibiting at 5 previous congresses (2019, 2021, 2023-2025)

Companies which participated in our previous congress (APAO 2025 in New Delhi) through an agency, please provide the name of the agency when you submit your booking form. One (1) point will be added on the APAO 2026 priority point system.

2. Booth Size

- 1 point for first 18 sqm of booth space
- 2 points for every 9 sqm of booth space

3. Payment

- 5 points for sending full payment with the booking form by the priority point deadline: September 15, 2025
